

## A Recommendation Letter

Gints Sterinovičs is skilled professional singer with whom I had the great pleasure to work with at the Estonian National Opera.

During the two years of our collaboration he proved to be equally professional in his responsibilities as a chorus member as well as a soloist. Gints Sterinovičs is a reliable personality and I very much support his future efforts to find professional work as an opera singer.

Risto Joost

Conductor of the Estonian National Opera

Chief Chorus Master Of the Estonian National Opera (2009-2011)

Chief Conductor of the Netherlands Chamber Choir
